1. **GEORGE**[1] **ROBBINS I** 7 END was born on 03 Oct 1640 in Chelmsford, Middlesex County, Massachusetts, USA. He died on 23 Aug 1689 in Chelmsford, Middlesex County, Massachusetts, USA. He married (1) **MARY ROBBINS** about 1667 in Chelmsford, Middlesex County, Massachusetts, USA. She was born on Feb 1647/48 in Chelmsford, Middlesex County, Massachusetts Bay Colony. She died on 24 Sep 1672 in Chelmsford, Middlesex County, Massachusetts, USA. She died on 25 Nov 1686 in Chelmsford, Middlesex County, Massachusetts Province (Died 6 days after giving birth to twins Joseph and Jonathan.). He married (3) **MARY BARRETT** on 21 Jan 1686/87 in Chelmsford, Middlesex County, Massachusetts Province. She was born on 17 Apr 1658 in Braintree, Norfolk County, Massachusetts Province. She died on 24 Jul 1692 in Chelmsford, Middlesex County, Massachusetts Province.

George Robbins I 7 END signed his will on 19 Feb 1689 in Chelmsford, Middlesex County, Massachusetts, USA. Age At Death: (48) He was employed as a Miller (owned saw and grist mill).

Notes for George Robbins I 7 END:
There are many who claim that George is the son of Thomas Robbins and Isabel West. I have attached a page from A History of the Robbins of Massachusetts and it states that there are no documented children of Thomas and Isabel. Since this severs George from Thomas and the other possible father as Robert (see blow), we now have no indication as to who his parents were.

Late in 1675, a group of settlers from Chelmsford attacked an Indian village near Pawtucket Falls (now Lowell), wounding several women and killing one child. At a Court of Assistants held at Boston 19 November 1675, Jonathan Largin and George Robbins were accused of firing their loaded guns into a crowd of Indians at the Falls. Owing to a lack of evidence, however, the court found them not guilty.

George Robbins is mentioned incidentally in an entry in the Notebook of the Reverend John Fiske of Chelmsford: Nathaniel Shiply, called before the church on 1 November 1657 for "notorious lying," acknowledged falsehoods about Goodwife Byam, saying that "he spoke there [sic] and their substance to George Robbins." In this context, it seems possible that both were quite young men at that time.

The George Robbins farm was located in the southern part of Chelmsford near Great Brook, where George owned a mill, near what is now Curve Street in North Carlisle. In 1671, a highway "to mill and meeting house" was laid out near Great Brook for the accommodation of John Barrett, Thomas Cory, George Robbins, and Ambrose Swallow. During King Philip's War, the Robbins house was one of the garrison houses in town.

On 25 February 1677/8, George purchased "Medow land" in Billerica from George Farley and his wife, Christian, of Billerica. One meadow was bounded by the Concord line, and the other, called "Brook medow," was nearer Chelmsford. The deed for these pieces of property was not recorded until 17 January 1710/11. In 1686, George Robbins was named in a deed as one of the 50 proprietors of former (Wamesit) Indian lands near Chelmsford.

Some early historians presumed that George Robbins was the son of Robert Robbins, perhaps because the two men settled in the Neighboring towns of Chelmsford and Concord. Possibly they were kinsmen, but no evidence has been found to indicate that George was the son of Robert. On the contrary, it appears

that George may have been the elder of the two.

Untangling, pages 113-114: In conclusion, certain notes about George and Robert Robbins are reviewed: 1. The confusion over the two Mary Robbinses is resolved by the death record of Mary (Robbins) Dutten, who died 'in her 53d year." This identifies her as Mary, born in 1671, the daughter of Robert' Robbins. The other Mary, born in 1667, the daughter of George' Robbins, was four years older. 2. Of the two John Robbinses born within a year of each other, it was john (George'), birth not recorded but named in his father's will, who stayed on the farm and deeded land at Chelmsford in 1743 to his son Ens. Jonas Robbins. Of John 2 (Robert), born 1673, no further records have been found. 3. Lt. Eleazer Robbins, b. ca. 1682, is clearly identified as 'Son of George Robins and Alice his wife' in the guardianship record of 1697 (see Register, 151 [19971: 396, and note 83). 4. It is evident that Thomas Robbins (George'), whose birth in 1687 was recorded at Chelmsford, was named as 'Tho:' in his father's will. Thomas and his wife Sarah settled about 1715 in the Chelmsford-Westford area near the original George Robbins property. The naming pattern for their children was similar to that of other descendants of George Robbins. Another Thomas Robbins, who married Lydia Adams in 1713, was almost certainly a son of -Robert Robbins.

There are a lot of Samuel Robbins in Colonial New England. There are at least 2 and possibly 3 different lineages that are not related to each other. There are many family trees that show this Samuel as marrying Bathsheba Wompom. In order to make it work, some have even gone to say that Bethiah is a nickname for Bathsheba. Many also state that Bethiah's maiden name was Hale, but a marriage document states that a Samuel Robbins married a Bethiiah Hale in 1824, 53 years after this Samuel had died.

At the end of the war he took his residence in the old fort, where his father had lived, and occupied this ancestral estate as long as he lived in Westmoreland. James F Robbins lived in Cotton Township, Switzerland County, Indiana, USA in 1860 (9 Age: 9). He lived in Pike Township, Ohio County, Indiana, USA in 1870 (13 Age: 13; AttendedSchool: Yes).

Notes for James F Robbins:
James is shown as being 9 years of age in the 1860 census, making him born in 1851. In the 1860 census he is shown as being older than his brother William. The 1870 census shows him as being 13 years of age, making him born in 1857. In the 1870 census he is shown as being younger than William. The only other documentation I have shows him having married Martha on December 23, 1871. It is highly unlikely that he was born in 1857 because this would have made him only 14 years of age at that time.

If Martha's birthdate is correct, then she would have been only 12-1/2 years of age at the time of her marriage. I find this highly unlikely; however, the 1860 and 1870 censuses also confirm her birth year. Martha and James were divorced at least by the 1880 census. In the 1880 census she is living in the household of Norman Humphrey as a servant. Her child, Mary, is not with her.

I cannot find James or his daughter Mary in any 1880 census.

Jones - TWO ARE DEAD Diphtheria Claims Two Victims in Kankakee Township Two children in the family of Ferdinand Jones, living at Rolling Prairie, Have fallen victims to diphtheria. One death, that of a three-year-old daughter,(Eva Grace Jones) took place Sunday, and yesterday another child succumbed to the dread disease. The health authorities are maintaining quarantine measures which will not be relaxed until all danger of the disease spreading have been obviated. The theory prevails that the cases in the Jones family were contracted from persons who had come from South Bend which is being scourged by the malady. Undertaker Weir buried the bodies of the two little victims.

According to David N. Baker:
He was 6ft 3in and later in his life weighed 176 lbs. He played the harmonica and Jew's harp. As a youngster he was legally blind. He said he recognized people by the way they walked, as he couldn't make out faces. He accomplished most things by feel. The teacher where he started school said she did not have time to teach a blind person in her 1 room schoolhouse

and sent him home. In his late teens, after treatment, he was able to see and taught himself to read and sign his name. He did arithmetic faster in his head than the rest with pencil and paper. He worked for a dollar a day, then farmed on the shares and finally in 1941 bought a farm of about 200 acres already furnished with tools, horses, and some livestock. He plowed and prepared people's gardens in Clarksburg IN 2 1/2 miles from his farm and did other odd jobs to make enough money to get by. He accepted other's horses and broke them to work. Eventually he bought a tractor and before his heart attack at 55 he was farming about 200 acres south of Andersonville, IN plus renting 500 additional acres for $800 per year. He loved coon hunting and the last year I hunted with him we caught 64 coons. His dog Madge took the World Championship in the Arkansas Field Trials after he sold her to another guy.

Notes for James Bennett Robbins ⚔:
From Find A Grave Memorial:
James B. Robbins, an automotive engineer whose heart belonged to vintage Cadillacs, died of cancer Sunday at Oakwood Hospital, Dearborn. He was 79 and lived in Dearborn. Mr. Robbins had a long career at TRW, an auto supplier, and while he worked, he built up a collection of three classic Cadillacs, all restored. He had a 1941 Series 8 convertible sedan and a 1947 convertible coupe.
But the pride of his collection was a 1938, 16-cylinder Town Car.
"We're going to ride to the funeral in the Town Car," his wife, Katie, said Monday. "We've had that car 40 years. . . . As my daughter said, it's part of the family."
Mr. Robbins belonged to the Classic Car Club of America and was director of the Michigan region in 1967-68.He was born in Detroit, grew up in the city, Concord and Ann Arbor and graduated from Ann Arbor High School. He started at the University of Michigan, but World War II interrupted his studies, and he enlisted in the
Navy. He was commissioned a lieutenant and stationed in the Marshall Islands in the Pacific. Returning to Michigan at war's end, he earned a bachelor's degree in mechanical engineering at U-M, then went to work briefly for Kaiser-Frazier, at Willow Run. He then went into business with his brother, Omer, running O.E.Robbins Co., a Redford Township firm that made machines to order. After two or three years, he went to work for TRW, selling piston rings as original equipment. He was sales manager of his division.
Mr. Robbins was a member of the Masons and the Dearborn Country Club and was a fellow of the Rotary Club. He was also a Centurian, a group of 100 people who support worthy causes. Besides his wife and his brother, survivors include a daughter, Candace Haag.

Notes for Marion Knight Baker:
According to David N. Baker:
He's retired from the Air Force as a Minuteman Missile Maintenance Officer. After the Air Force he worked as Station Manager for Golden West Airlines and other airlines. As a Missile Maintenance Officer he worked along the norther tier of States and yearly he and his assistant traveled to Vandenberg AFB, CA where they fired a missile from the base to the Kwajalein Atoll thousands of miles across the Pacific to land in the atoll lagoon where it was retrieved and returned to the States. A few years prior to retirement he transferred to Vandenberg AFB.

Provided by Douglas Richard Baker:

Captain Marion K. Baker, thank you for your dedication and service to our Heavenly Father, to our family, and to our great country that we are privileged to call our home. You have run well the race that was laid before you, and it is now time for you to rest while we endeavor to follow in your big footsteps. You will be missed!

Thank you for remaining vigilant at you're post of duty; for it was you and other Minutemen like you that stood as lone sentinels on the front lines waging a mostly invisible Cold War, charged with faithfully maintaining the peace that many others before you bled to purchase for us all.

Thank you for being willing to be called away at a moment's notice from baseball games and school plays and church potlucks and restful nights in a warm bed with your sleeping wife… to suit up and travel, often through snow and ice, to isolated concrete and steel silos buried under the fields of America's Bread Baskets. While we played, while we slept, while we built and while we dreamed… while we studied to prepare ourselves for our individual and important callings in life, USAF Missileer's, and the legions of airmen that supported their efforts, willingly served under lonely and harsh conditions to fight a war against an

unseen and thankfully as of yet unnamed enemy. Sure, many built bunkers and many of us practiced drills in the event of a nuclear attack. But only a few held the keys, in calm and steady hands while bearing daily the awesome dread, that would unleash the wrath and the might of a nation as it recovered from a mortal wound in the event of a strike against her.

Thank you for the early morning calls to rise so that we could gather together and to commit the Words of God to memory and commit ourselves anew each day into the protective hands of the Almighty, not knowing if this might be our last day. Thank you for standing guard to hold back the wrath while I found myself in the volume of the book as it opened before our watchful eyes… Thank you for your service as our father and as a husband… Thank you for your labors as Sunday School teacher and for serving as a church deacon at our postings in 11 States in the US... Thank you for the backpacking trips and the annual trips to the grandparent's homes and farms where we picked wild berries and played in the corn fields… Thank you for caring enough to correct us when we were wrong… Thank you for taking in those in need, thereby teaching us to do the same… We understand that your life of service meant that we couldn't always have the time we wanted with you. We also understand that it meant that you donated your time that you could have otherwise have spent seeking pleasure for yourself.

And so we all with heavy hearts say to you a final time "farewell" and we say to you "well done." And I want to personally say to you "until…" Thank you Captain. Thanks papa.
