Notes for Timen Lulofsson Stiddem 🚝 8 8:

Dr. Timen Stiddem was probably born at Hammel in Skanderborg, Denmark (near Arhus), or the Netherlands (or possibly Sweden). (Doktor Timen Stiddem är troligen född på Hammel i Skanderborg, Danmark (nära Århus), eller Nederländerna, (eller eventuellt Sverige).

He was living in Gothenburg, Sweden in the 1630s. (Han bodde i Göteborg på 1630-talet)

He was no doubt anxious to learn about the new world being colonized by the Swedish, known as "New Sweden" (present day Delaware). (Han var utan tvekan angelägen om att lära sig om den nya världen som koloniserades av Sverige, känd som Nya Sverige. Dagens Delaware.

Dr. Stiddem signed on as a ship's barber-surgeon for a voyage to New Sweden. Dr. Stiddem sailed four times for North America (arriving three times). He went to New Sweden the first time in 1638 aboard the ship called the *Kalmar Nyckel*, the first of Sweden's attempts to establish a colony in New Sweden. The *Kalmar Nyckel* landed at the "Rocks" or Fort Christina (present day Wilmington, Delaware) on March 29, 1638.

Dr. Stiddem returned to Sweden and married. His first wife and children were murdered near Puerto Rico in 1649 during the ill-fated Swedish voyage to America aboard the *Kattan* (Cat). He returned to Sweden to remarry and sail again with his wife on Sweden's Tenth Expedition aboard the *Örn* (Eagle), which arrived in New Sweden on May 22, 1654. This was Dr. Timen Stiddem's last trip from his homeland, Sweden. He stayed and settled in New Sweden at Fort Christina, or what was to become Wilmington, Delaware.

Dr. Timen Stiddem was a prominent citizen and doctor in Wilmington. He is recorded in history as the first physician in Delaware (ref. J. Thomas Scharf, History of Delaware, p. 471).

## LUCAS STEDHAM

Lucas Stedham was a faithful member of the Crane Hook Church before "Old Swedes"Church was built. He was among the first to donate money, labor, and laths for the new church. He donated 8 bushels of wheat and 2 bushels of oats, and boarded Rev. Bjorck and several carpenters during the building of the church. He was elected vestryman on 13 June 1707 and to the Church council on 30 May 1713. On 29 June 1714, he paid the Church's portion of the freight charges for Bibles and Psalm books shipped from Sweden.

Lucas was known for his mark, "L. S." You can find his mark on his old pew in the church and on his gravestone. He was one of the signers of a letter to the Queen of Sweden concerning her favors to the colonists. The letter ended: "In behalf of the Swedish Congragation of America" and was signed by William Stubby, Carl C. Springer, Jonas Walraven and Lucas Stedham.

Lucas inherited one-eight of his father's estate. He later purchased his sister, Elizabeth's share. He deeded both shares to his nephew, Timothy Lulofsson Stedham, who became owner of the entire estate. We have found no record of Lucas leaving a will. However, in New Castle County Deed Book H-1, p. 173, there is a deed of gift from Lucas Stedham Sr. to his sons, Timothy and Lucas Jr.

## Generation 3 (cont.)

From Acrelius' History of New Sweden, we find a most unusual story, entitled "A Monstrosity" from a 10 July 1716 entry in the diary of Rev. Ericus Bjorck: "An unusual and wonderful event took place at Lucas Stedham's. A ewe (sheep) bore a monster so misshapen that the body of two lambs, without any head were united together, each body having four feet and a tail of it's own turning toward each other just as if there were a head to be found, except a split ear between them on the upper side."

Lucas Stedham lived in Christian Hundred on 265 acres north of Christina River, not far from the Brandywine Creek and "The Rocks" where the original Swedes landed in 1638. Not far from "The Rocks" was the old mansion of Lucas' father, Dr. Timen Stiddem. Lucas Stedham has descendants throughout the United States.

Age At Death: (60)

## Notes for Robert Peterson:

Robert appears to have been married twice. After the death of Catherine (Simkins) in about 1810 he next marries Elizabeth. She is found as either Elizabeth Biddle or Elizabeth Jenkins. It is uncertain if they are the same person. I can only find marriage documentation for Catherine. I have undocumented sources for his marriage to Elizabeth as either 1810 or 1813.

# Generation 6 (cont.)

Sarah Mary Peterson is listed as being a child of Robert and Elizabeth. If this is correct and her birth year (1811) is correct then a marriage in 1810 would be most likely; however, she is also found as being the daughter of George Peterson and Rebecca Jenkins. I have not been able to find any birth documentation for Sarah.

Until documented clarification, I have decided not to research the children of Robert and Elizabeth for now.

Age At Death: (About 32)

Robert Peterson and Catherine Simkins had the following children:

Notes for Martha Peterson:

Martha is found as being the spouse of John Baldwin (1799-1868). John appears to have been married at least 3 times. All of his children are listed as the children of each of these spouses, depending on which tree you look at. I have not found any marriage documentation for each of these marriages nor have I found any birth documentation for the children. For this reason I have not attached John Baldwin to Martha at this time.

ANNIVERSARY POEM. Read at the anniversary of the seventieth birthday of Mrs. Ann Peterson. By David Scott

No costly gifts have I to bring, To grace your festive board, This humble song, I've brought to sing, Is all I can afford.

Then let my humble rhyme be heard In silence, if you please, You'll find it true in ev'ry word, It flows along with ease.

We've met in honor of our friend Who seventy years ago, Came to this earth some years to spend, How many none can know.

The world is using her so well,

I hope she'll tarry long, And ten years hence I hope to tell,

"I have another song."

## Peterson, Thomas

Mr. Thomas Peterson a thrifty farmer and estimable citizen of the Fourth district was found dead in his barn on his farm a mile east of Cherry Hill on Wednesday morning about six o`clock. Half an hour before he had started for the barn and not returning his wife, Sarah L. DuLane Peterson, went there and found him lying on the floor. She sent word to Coroner Litzenberg who accompanied by Dr. Howard Bratton went to view the remains. As there were no marks of violence or suspicious circumstances the coroner decided not to hold an inquest. The deceased had been suffering from heart disease for several years and this Dr. Bratton thinks caused his death. Mr. Peterson by industry had accumulated considerable property owning two farms in the Fourth district, one in Western

Maryland and houses in Elkton and Chesapeake City. He leaves no children. The funeral services will be held at his late residence on Sunday morning, interment at Cherry Hill. Mr. Peterson was in his 77th year. --The Cecil Whig, September 28, 1889

#### From Find A Grave Memorial:

[Mound of stones on top of the Grave Grave identified by a decendant.]

James appears to have married someone in 1773. For some reason many people list her as Ann Sturgis, but there are several marriage listings and documents that shows he married her in 1785. For this reason, Ann A'sturgus (Strugis) cannot be the mother of all of his children. All of his children were born prior to this marriage. After the death of Ann, he then marries Phoebe Campbell (nee Sellers) in 1801. Many show this marriage date as 1793, the same year Ann may have died. Many also have some of the children assigned to Phoebe, but this also is incorrect. I believe all of James' children belong to a first, unknown spouse.

The following is from Jack Stidham, "The Descendants of Dr. Timothy Stidham" (2001), Vol One, pg. 10-16:

Samuel [166] Stidham grew up in North Carolina, living in the mountainous area of western North Carolina.

In 1776, he was in present-day Scott Co., Virginia, at Mint Springs on Little Moccasin Creek (ref. Robert M. Addington, History of Scott County, Virginia. Baltimore, Regional Publishing Company, 1977, pg. 2), and may have married in Virginia.

According to census and tax records, Samuel was later found living in the following counties in North Carolina: Surry Co., North Carolina 1780-1786

Wilkes Co., North Carolina 1790-1799 Ashe Co., North Carolina 1800-1820

Samuel probably farmed and raised his family on the North Fork of the New River in what is present day Ashe Co., North Carolina. (Wilkes Co. was formed from the old Surry Co. in 1777.

Ashe Co. was formed from Wilkes Co. in 1799.)

On 25 Jun 1795, Samuel paid 50 shillings to the State of North Carolina for 100 acres in Wilkes County. (Land Grant No. 4564)

In 1798, he was granted 100 acres on the North Fork of the New River. (Wilkes Co. Deed Book D, p. 384)

In 1808, he was again granted land (300 acres) on the North Fork of the New River by the State of North Carolina, for which he paid 50 shilling per 100 acres. (Ashe Co., North Carolina Deed Book D, p. 133-134)

This land was on both sides of the North Fork of the New River.

Samuel Stidham was drafted during the Revolutionary War and served two terms for a total of nine months in 1780.

His officers were Ensign Ben Humphrey, Lt. David Humphrey, Capt. James Giddens, Col. Martin Armstrong and Gen. Rutherford.

He enlisted at the Surry Courthouse, and at that time was a resident of Surry Co. From a disposition given by Samuel on 10 Dec 1832 in Perry Co., Kentucky, in regards to his pension, we learn about his role in the war:

He served with a company stationed at Surry Courthouse as a guard of the ammunition magazine.

While serving in the guard company, the Tories were encamped about the mulberry fields on the Yadkin River. Samuel and others were ordered to attack them.

The Tories fled so the company returned.

At the end of three months, Samuel was discharged, but was subsequently drafted for another six month term.

During his second term, he was again assigned to guard the magazine. His company marched to Sorceymares Mill on Dutch Buffalo Creek in Rowan Co., where it provided ammunition for the main army under the command of Gen. Rutherford.

From there, the army marched to join Gen. Gate's army. After one day and night, the army encamped on Long Creek where a soldier was killed by a falling tree. Samuel and another soldier were left to bury the dead man, then rejoined their company.

At the time Samuel applied for a pension in 1832 he was 85 years old. He was placed on pension on 19 Jan 1833 at the rate of \$30 per year.

Notes for Thomas Denny: From Find A Grave Memorial: CAPTAIN/JUDGE THOMAS DENNEY: From the History of Lawrence, Orange and Washington

From the History of Lawrence, Orange and Washington County, Indiana, 1884, Page 904:

"Joseph Denny, a native of Virginia, was born April 9, 1808, the second of nine children in the family of Thomas and Mary (Hattabaugh) Denny, the latter a native of Pennsylvania and the former of Virginia. During 1809 they came to Washington County, Indiana and settled in Monroe Township where they spent the remainder of their lives..."

From the Centennial History of Washington County Indiana, Pages 511-12: MONROE TOWNSHIP:

"The first post office was called, "Walnut Ridge", and the first postmaster was Thomas Denny... Among the earliest teachers are... and Joseph Denney. Mr. Joseph Denney probably taught more terms of school in this township than any other one man."

From the "History of Washington County, Indiana 1804 page 719, Thomas Denny was listed as a Justice of the Peace in 1816 and 1821.

Joseph Denny stated the following, quoted from page 643 of the "Centennial History of Washington County Indiana".

"Joseph Denny spoke as follows: "My father located on Walnut ridge in 1810. There were nine or ten families in that settlement and they built a fort near where Plattsberg now stands. I'll never forget the night after the Pigeon Roost Massacre. Word reached us that the redskins would attack the Hattabaugh Fort next. The women and children were all bundled up and taken down into the knobs where there were no Indian trails and would not likely be found. The men gathered at the fort and made all necessary preparations to give the savages a warm reception. There were fifteen men and boys stationed in the fort armed and ready to fight. Strict guard was maintained through the night, but no Indians came. They had crossed the Muscatatuck up east and soon were out of reach of their pursuers. I was too young to handle a gun and was sent away with the women folks. We made beds as best we could out of leaves and trash, but the women slept very little, expecting every minute to hear the crack of rifles and the war whoop of the Indians as they stormed the fort. Next morning they came for us and we all went to our respective homes, but we had to keep about half the men in the settlement scouting about and doing guard duty while the rest tended the crops. That season we lost some horses by thieving bands of Indians. One of our horses that would not stand hitched, came back soon after he had been stolen with some paw-paw bark around his neck, which the Indians had attempted to tie him up with. Those were the times that made me always hate the Indian and I have never had any sympathy for them since."

"The Alarm and Pursuit" Pages 525-6:

"The news of the killing spread very rapidly through the settlements and where forts were within reach the women and children were rushed in for safety. When they remained at home, every precaution possible was taken to bar doors and make ready to resist an attack if one should be made. The early settlers, as well

as every member of the family, were always determined to sell their lives as dearly as possible in preference to being captured and in all probability die at the stake.

As soon as they could be gathered together, about forty armed men, under Col. Henry Dawalt, started in pursuit on the day of the killing. Ellisons, the Dennys, Houshes, Rices, Hattabaugh and others unknown were in the company, all on horseback. They started in pursuit of The Indians the morning after the killing. They reached the White River about ten o'clock and the stream was rising full and the current swift. They had no boats and rafts had to be constructed out of driftwood to carry them over. The logs and poles were bound together by grape vines and wythes. The day was far spent by the time they got across and all together again. The crossing was made about two miles below the forks. They soon struck a trail and pursued on as rapidly as possible. Andrew Housh was in the lead, as a sort of advanced guard, and coming in sight of the Indian camp which was about two miles below where they had crossed, he yelled back, "Here they are", which alarmed the Indians who had already prepared to break camp and, they fled precipitately. Some shots were fired at them, but none took effect that they knew of.

It being now about dusk, Colonel Dawalt stopped his troop at the camp over night, but early next morning was on the trail of the fleeing savages. They had several ponies and it was not difficult to follow them up. They kept on the trail for two days until they reached a stream called Bean Blossom in the neighborhood of Bloomington. It had been raining hard and the stream was overflowing its banks, so that a crossing under the circumstances would have been quite difficult. Colonel Dawalt consulted his men, and they concluded that it would be very hazardous for them to go much farther west as Indians in large numbers were known to be in that part of the country. Returning to the old Indian camp, they halted for a day to rest and recuperate themselves before re-crossing the river. Luckily, they found a couple of canoes on the river bank that had been used by the Indians which aided them very much in getting back to their home side of the river.

They were gone just a week. Reaching home, their families were brought back from the forts and hiding places and they set about their usual vocations. It was in the fall of this year that the Pigeon Roost Massacre occurred, and it was in the pursuit of those blood-thirsty demons that John Zink and Spurgeon were killed in Jackson County."

"Washington County Giants" pages 646-7-8.

In the early times, Washington County was celebrated far and wide as being the home of a race of giants and the wonderful feats of strength performed by some of these men are scarcely believable. There were a number of stalwarts who knew not how strong they were when under any kind of excitement or when their power was put to the test. Among the men who made up the class of giants that gave the county its reputation were Abram Stover, Thomas Denny, James Uppinghouse, James Lee, John Brough, William Cravens and others. It was generally conceded that Stover possessed the greatest strength of them all and a number of incidents have been handed down relative to his gigantic strength. He was a man of commanding appearance, six feet high, with a huge frame and sturdy manhood. He never vaunted about the superiority of his muscular powers, was never quarrelsome, but stood up for his rights and was ever ready to meet an opponent on friendly terms, even if it came to a fist fight to settle the mooted question. In fact, none of the strong men of early days were prone to be quarrelsome. Had they been vicious and of a fighting disposition, they would have been the terror of the country. When a young man showed that he possessed extraordinary strength and prowess, he always had his champions and backers ready to pit him against any and all comers of like age and experience. These lists were usually planned for muster days and 4th of July celebrations. A ring was formed in which the contestants met and woe be to the individual who dared to interfere any way in the contest other than to urge his favorite to supreme effort, or prompt him what to do. A public gathering of any kind was a very dull

affair if there were not a number of fights, wrestles and foot races to give life to the occasion.

Thomas Denney was always considered a close second to Stover as a powerful man and many of his champions were ready to stake their money on him if a contest between the two men could be arranged. The two men were close friends and could not be induced to engage in a fist and skill contest publicly, but their partisans finally arranged for a "whisky barrel" contest during a public gathering at Salem. The test was to be the taking of a barrel of whisky by the chime, raising it up and drinking out of the bunghole. Judges were selected and a full barrel of whisky was rolled out in the street. It fell to Denney's lot to make the first test. After lifting the barrel which weighed about four hundred pounds, he slowly raised it up and took a drink out of the bung hole. Stover walked up leisurely, laid hold of the barrel, raised it up easily, took his drink and set it down without a jar. There was then some discussion about the decision, each side claiming the victory, but the judges after mature deliberation gave the wager to Stover because he had made a clean lift, while Denney had rolled the barrel part of the way up against his legs.

The test did not exactly satisfy Denney, so meeting Stover in Salem a short time after this test was made, he proposed that they go upstairs into an empty room on the corner of lot 9, north side of the square, and take a friendly set-to in order that the matter would be satisfactorily settled, no outsiders admitted. Stover readily consented and upstairs they went, laid off their coats and began their knock-down test. After sparring a bit, Stover planted one on his mauls squarely on the side of Denny's head and down he went. After taking a few breaths they went at it again when Stover watching his opportunity landed a heavy blow in Denny's face bringing a flow of blood and sending him staggering against the wall. The merchant below hearing something fall heavily upon the floor above, proceeded to investigate the matter. When he reached the room they were just turning for their coats when Denny remarked, "Where shall we go to take it". Often after that time their partisans would endeavor to get up a fight between them, but the response of each would be, "He is a mighty stout man and we prefer to be friends."

Notes for Sarah Sally Denny:

I have chosen not to enter birth dates, death dates, nor locations for the children. On the various trees on Ancestry and Family Search, the birth date ranges vary considerably for each child. Also the apparent birth locations jump around between Virginia, Kentucky, and Tennessee as though the family couldn't stay in one place for very long. There is too much confusion and no documentation for birth to continue at this time.

Sally's birth year has also been shown as 1762. Uncertain if it's 1762 or 1775.

ANNIVERSARY POEM. Read at the anniversary of the seventieth birthday of Mrs. Ann Peterson. By David Scott

No costly gifts have I to bring, To grace your festive board, This humble song, I've brought to sing, Is all I can afford.

Then let my humble rhyme be heard In silence, if you please, You'll find it true in ev'ry word, It flows along with ease.

We've met in honor of our friend Who seventy years ago, Came to this earth some years to spend, How many none can know.

The world is using her so well, I hope she'll tarry long, And ten years hence I hope to tell, "I have another song."

# Peterson, Thomas

Mr. Thomas Peterson a thrifty farmer and estimable citizen of the Fourth district was found dead in his barn on his farm a mile east of Cherry Hill on Wednesday morning about six o`clock. Half an hour before he had started for the barn and not returning his wife, Sarah L. DuLane Peterson, went there and found him lying on the floor. She sent word to Coroner Litzenberg who accompanied by Dr. Howard Bratton went to view the remains. As there were no marks of violence or suspicious circumstances the coroner decided not to hold an inquest. The deceased had been suffering from heart disease for several years and this Dr. Bratton thinks caused his death. Mr. Peterson by industry had accumulated considerable property owning two farms in the Fourth district, one in Western Maryland and houses in Elkton and Chesapeake City. He leaves no children. Notes for William Henry Wallis I:

PROBLEMS:

(1) Nearly everyone and at least once census reports shows Elizabeth as being born in about 1824. The 1870 census, however; states she is 56 years of age and William in 45. The age of 56 in 1870 would make her being born in about 1814-1815.

(2) Grave markers from Find A Grave show William Jr. as being born on April 12, 1850 and Elmira being born on June 7, 1850. There has to be a critical error here. The 1870 census shows Elmira as being 19 years of age meaning she was born in either 1850 or 1851. William Jr. is not listed as part of the household. I have not found him satisfactorily in an 1870 census. Elizabeth J Forwood and William Henry Wallis I had the following children:

#### Notes for Nancy Alice Grady:

Many people confuse Nancy Alice Grady with Nancy Alice Smith. While these are the same individual, the correct surname is GRADY. She is the child of Joseph D. Grady and Susan Jane Ware and not the child of John Smith and Susan Jane Ware (Grady). It also appears that people are showing John Smith and Susan Jane Ware as being married in 1878 in order to justify Nancy as being their child;

however, the 1880 census lists (Susan) Jane Grady and Nancy A Grady in the household of John Smith, with (Susan) Jane as a servant. It appears John Smith married his servant, Susan Jane Ware (Grady) sometime between this census and the birth of their first child on 27 Aug 1881.

Notes for Andrew Jackson Imel Sr.: From Find A Grave Memorial: Andrew Jackson Imel - Obit - Sublette Monitor, 15 May 1924, page 3, column 4

In the death of Andrew Jackson Imel, successful farmer and business man of Ford county and former representative from the county in the state legislature, who died at his home in Spearville last Sunday, May 4, Ford county loses one of its best known and most highly respected citizens, a man who came to western Kansas in tis early days and was a decided factor in the building up of the community in which he resided for so many years.

"Uncle Jack" as Mr. Imel was known by all his friends, was born in the city of Madison, Jefferson county, Indiana, on November 1, 1851. His death last Sunday came after a lingering illness of more than four years' duration. At the time of his death he was 73 years, 5 months and 3 days of age.

On December 1, 1870, in Madison, Mr. Imel married Miss Catherine L. Haskell, who bore him a family of eleven children, seven sons and four daughters. Nine of the family are left to mourn with their widowed mother, The living children are: Mrs. Margerite Moody, of Haskell county, Kansas, Mrs Viola Steel of Gray County, Kansas; Mrs. Lilly Beaver, of Spearville, Andrew J. Imel, Jr. of Harper County; John T. Imel and Abraham Imel of Colorado; Mrs. Lulu Perkins of Spearville; Freeman Imel of Harper county, and Elmer D. Imel of La Junta, Colorado. Two sons, P.M. Imel and Carl Imel, preceded their father to the grave. Mr. Imel also leaves sixty-nine grandchildren and eighteen great grandchildren. Coming to Kansas in 1878, Mr. Imel settled on a homestead six miles south of Spearville, where he lived until last year which he spent in Spearville. In his youth he became a member of the Baptist church. In 1908 he joined the

Independent Order of Odd Fellows at Dodge City and in 1911 transferred his membership to the Spearville lodge, About twelve years ago he represented Ford county for one term of two years in the state legislature.

In the death of Mr. Imel, the people of Spearville and of Ford county have lost a good friend and neighbor and the lodge which was privileged to call him a member has lost a respected brother a man of sterling qualities, on always ready to extend the helping hand to all mankind, without distinction as to social or financial standing.

During the last hours of his illness "Uncle Jack" prayed that God would call him home that he might be with his mother and other loved ones gone before. His death will be mourned by all who knew him. Funeral services for Mr. Imel were held from the Methodist Church at Spearville at 2:30 o'clock the afternoon of Tuesday, May 6 with the I.O.O.F. lodge in charge. - Dodge City Globe.

### Notes for Thurman Earl Baker:

According to David N. Baker:

He was 6ft 3in and later in his life weighed 176 lbs. He played the harmonica and Jew's harp. As a youngster he was legally blind. He said he recognized people by the way they walked, as he couldn't make out faces. He accomplished most things by feel. The teacher where he started school said she did not have time to teach a blind person in her 1 room schoolhouse and sent him home. In his late teens, after treatment, he was able to see and taught himself to read and sign his name. He did arithmetic faster in his head than the rest with pencil and paper. He worked for a dollar a day, then farmed on the shares and finally in 1941 bought a farm of about 200 acres already furnished with tools, horses, and some livestock. He plowed and prepared people's gardens in Clarksburg IN 2 1/2 miles from his farm and did other odd jobs to make enough money to get by. He accepted other's horses and broke them to work. Eventually he bought a tractor and before his heart attack at 55 he was farming about 200 acres south of Andersonville, IN plus renting 500 additional acres for \$800 per year. He loved coon hunting and the last year I hunted with him we caught 64 coons. His dog Madge took the World Championship in the Arkansas Field Trials after he sold her to another guy.

Thurman E Baker, 77, of Clarksburg, died Sunday Sept. 20, 1987 at 6:47 p. m. at the Decatur County Memorial Hospital.

#### Notes for Marion Knight Baker:

According to David N. Baker:

He's retired from the Air Force as a Minuteman Missile Maintenance Officer. After the Air Force he worked as Station Manager for Golden West Airlines and other airlines. As a Missile Maintenance Officer he worked along the norther tier of States and yearly he and his assistant traveled to Vandenberg AFB, CA where they fired a missile from the base to the Kwajalein Atoll thousands of miles across the Pacific to land in the atoll lagoon where it was retrieved and returned to the States. A few years prior to retirement he transferred to Vandenberg AFB.

Provided by Douglas Richard Baker:

Captain Marion K. Baker, thank you for your dedication and service to our Heavenly Father, to our family, and to our great country that we are privileged to call our home. You have run well the race that was laid before you, and it is now time for you to rest while we endeavor to follow in your big footsteps. You will be missed!

Thank you for remaining vigilant at you're post of duty; for it was you and other Minutemen like you that stood as lone sentinels on the front lines waging a mostly invisible Cold War, charged with faithfully maintaining the peace that many others before you bled to purchase for us all.

Thank you for being willing to be called away at a moment's notice from baseball games and school plays and church potlucks and restful nights in a warm bed with your sleeping wife... to suit up and travel, often through snow and ice, to isolated concrete and steel silos buried under the fields of America's Bread Baskets. While we played, while we slept, while we built and while we dreamed... while we studied to prepare ourselves for our individual and important callings in life, USAF Missileer's, and the legions of airmen that supported their efforts, willingly served under lonely and harsh conditions to fight a war against an unseen and thankfully as of yet unnamed enemy. Sure, many built bunkers and many of us practiced drills in the event of a nuclear attack. But only a few held the keys, in calm and steady hands while bearing daily the awesome dread, that would unleash the wrath and the might of a nation as it recovered from a mortal wound in the event of a strike against her.

Thank you for the early morning calls to rise so that we could gather together and to commit the Words of God to memory and commit ourselves anew each day into the protective hands of the Almighty, not knowing if this might be our last day. Thank you for standing guard to hold back the wrath while I found myself in the volume of the book as it opened before our watchful eyes... Thank you for your service as our father and as a husband... Thank you for your labors as Sunday School teacher and for serving as a church deacon at our postings in 11 States in the US... Thank you for the backpacking trips and the annual trips to the grandparent's homes and farms where we picked wild berries and played in the corn fields... Thank you for caring enough to correct us when we were wrong... Thank you for taking in those in need, thereby teaching us to do the same... We understand that your life of service meant that we couldn't always have the time

we wanted with you. We also understand that it meant that you donated your time that you could have otherwise have spent seeking pleasure for yourself.

And so we all with heavy hearts say to you a final time "farewell" and we say to you "well done." And I want to personally say to you "until..." Thank you Captain. Thanks papa.

#### Notes for Euldean Bolin:

Deanna Baker, 80, of Goodyear, Arizona passed away on November 17, 2017 from complications related to amyotrophic lateral sclerosis (ALS), also known as Lou Gehrig's disease. She was born January 20, 1937 in Horseshoe Bottom, Kentucky to Hezekiah and Edna Alice (Bunch) Bolin.

At a young age, Deanna and her family moved to Andersonville, Indiana. She attended school in near-by New Salem. At the age of 19, she met and married the love of her life, Marion Knight Baker on May 27, 1956 in Andersonville. The newlyweds traveled to Spokane, WA and set up their first home at Fairchild Air Force Base where Marion was stationed. In addition to her support of her husband and his military career, Deanna was a fulltime homemaker and loving mother to five children. After her children entered school, Deanna entered the health care field as a licensed vocational nurse at Deaconess Hospital in Great Falls, MT . She became a member of the international exchange nurse network, and opened her heart and her home to host and mentor nurses from around the world.

Throughout her 20 years as a military spouse, Mrs. Baker was an active member in the Officers' Wives Club, a non-profit organization providing philanthropic and social opportunities to members. She served as the chairman of various committees responsible for fundraising and charitable contributions to the military and local communities. Deanna was recognized for her exemplary service and honored as the recipient of the 1972 Military Wife of the Year award at Grand Forks Air Force Base, ND.

After her husband retired from the United States Air Force in 1975, Deanna began a professional career spanning 30 years. She was the owner and manager of a travel agency in Santa Barbara, California for fifteen years. She relocated to Litchfield Park, Arizona with her husband in 1991 and began a new career in the educational field employed as a college admissions counselor at the Arizona Institute of Business and Technology (AIBT), the Academy of Business College, and Lamson Junior College in the Phoenix, Arizona area. During this time she earned her bachelor of arts in business administration degree. She then advanced to the role of college admissions director with Apollo College overseeing operational management and recruitment at campuses in Phoenix, AZ, Albuquerque, NM and Spokane, WA before retiring in 2006.

At the age of eight, Deanna accepted the Lord Jesus Christ as her Savior at the Church of the Nazarene in Andersonville, Indiana. In 1966, she rededicated her life to Christ and became a member of the Southern Baptist Church. She was a faithful steward, serving as a Sunday school teacher, youth leader, and was actively involved in the women's ministry. Mrs. Baker was a member of the First Southern Baptist Church in Avondale, Arizona and also attended Calvary Chapel in Surprise, Arizona.

Deanna's personal interests included gardening, sewing, embroidery and crochet prior to the decline in her health. She was diagnosed with amyotrophic lateral sclerosis (ALS) disease in January 2014 and shortly after transitioned from independent living to assisted living with her husband. Throughout the progression of her disease, she maintained humility, grace and positivity even as she lost her mobility and was reliant on fulltime caregivers.

Mrs. Baker is predeceased by her husband of 60 years, Marion Baker, parents Hezekiah and Edna Bolin, her sister Michelle Helin and brother Jack Bolin. Surviving to cherish her memory are her sister, Linda Shearer of Wheeling, Illinois, her five children Michael Baker (Melody) of Tucson, Arizona; Brenda Brooks (William) of Goodyear, Arizona; Douglas Baker (Jennifer) of Tucson, Arizona; Kimberly Scott (Dave) of Santa Barbara, California and Lawson Baker of Avondale, Arizona. She is also survived by nine grandchildren and eight great-grandchildren. The family wishes to extend sincere thanks for the medical care provided by Dr. Erik Ortega and the medical team of the Gregory W. Fulton ALS and Neuromuscular Disease Center at the Barrow Neurological Institute and her loving and attentive caregivers Jennifer and Juve Garcia and Darwin and Marykris Bautista.

Mrs. Baker will be buried next to her husband at Arlington National Cemetery in Arlington, Virginia, at a later date. In lieu of flowers, the family suggests donations be made in her memory

to the ALS Association Arizona Chapter to support research to find a cure for ALS and provide much-needed services to patients and their families.
